Илья, привет! Вчера ваши ребята подтвердили, что \$5M пришло. Нам ожидать от вас официального документа о количестве Gram, которые покупает мой фонд?

Ilya Perekopsky

16:43

Думаю, мы какое то письмо напшем финальное на днях

David Yang

16:48

Да, это бы было здорово. Особенно в случае моего фонда, т.к. мы формально нарушили договор задержав отправку \$0.5M.)))

Привет, Давид

Письмо пришлём на след неделе. Есть желание на второй раунд?

08:02

Мы к русским полегче на втором, можешь всех желающих с первого туда упаковать))

David Yang

20:19

Илья, привет. Ок. Узнаю. Какая планируется цена на втором раунде и когда планируется закрыть раунд?

20:27

Yep, it would be awesome. Especially in the case of my fund, since we formally violated the agreement having delayed the wiring of \$0.5M.)))

Hi David

We will send the letter next week. Do you have a wish to enter the second round?

We will go easier on Russians at the second round, you can pack in there all of those willing from the first round))

Yang: 20:19

Hi Ilya. OK. I will find out. What is the expected price at the second round and when is the round planned to be closed?

20:27

Ilya, going back to the first round. I have to understand for myself. Tell me, if I myself, David Yang, without anybody's mediation addressed Telegram directly in January and expressed a wish to invest, would I get a quote from you?))

Ilya: 20:28

100%

You – yes

I am offering to you myself already the second round,
which is subscribed in advance. 20:29

Yang:

Thanks!:))

Ilya: 20:30

Yes, well, actually that was the way it was

Yang: 20:52

Mass media is asking me whether I invested money into Telegram and how much. What would you prefer – that I confirm it or refuse to comment? (In our agreement there was a clause on confidentiality but as far as I get it, it does not extend to the publicizing of the fact and scope of investment, or does it?)
